achieve BROWN COUNTY **SPONSORSHIP** OPPORTUNITY

TOGETHER FOR LITERACY

forWORDS
a literacy initiative

MAY 6TH 2027

Join us as a sponsor of **Together for Literacy** and help empower our community to come together, learn from one another, and take action to improve reading outcomes for young people in Brown County.

This convening brings together parents, educators, nonprofits, healthcare, business, government, and community leaders to learn what's happening in Brown County and find ways to be apart of it.

OUR WHY:

In Brown County, only 54% of third graders are reading at grade level by third grade.

Every child deserves the chance to read, to learn, to dream. But reading doesn't begin in school - it begins in life. In bedtime stories and breakfast conversations. In listening, speaking, imagining, and understanding. That's literacy, the foundation that makes reading possible.

forWORDS is our shared commitment to create the conditions where every child has the opportunity to learn to read and where every one of us plays a part in making it possible.

Every Child.
Each Community.
Learn What's Possible.
