

Achieve Brown County

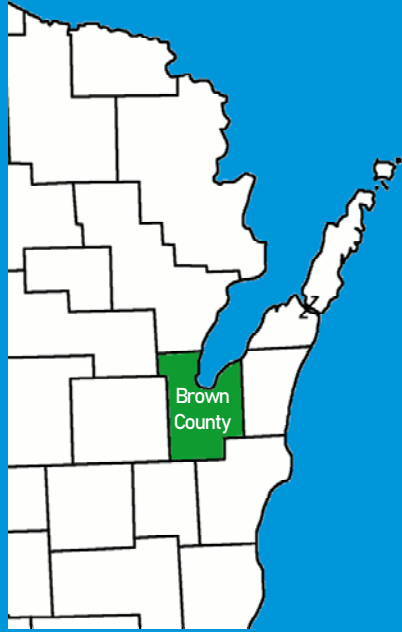

Graduation Task Force

The goal of the Graduation Task Force is to develop a system that links all students in Brown County to supports that will improve graduation rates.

Four school districts (Ashwaubenon, Denmark, Green Bay Area Public, and Howard-Suamico) and community partners are working to match students at risk of dropping out with mentors to fit individual needs.

Improve: attendance, achievement, and behavior

Target:
100% of students graduate high school
