

SPONSORSHIP OPPORTUNITIES

Achieve Brown County 10-Year Anniversary Event

Join us, as a 10-Year Anniversary Sponsor, in celebrating the achievements and learnings from our first 10 years as a cradle-to-career collective impact partnership. Hear about our new strategic plan, our work around literacy (Reading for the Future Initiative) and be briefed on the state of our cradle-to-career outcomes. You'll hear from partners and we'll share about our vision for the next 10 years.

Your sponsorship is important. It supports Achieve Brown County in hosting this event at **no-cost to attendees**, ensuring our updates, vision setting and calls to action reach and **welcome all members of our community**.

OUR WHY:

In 2011, following the release of the inaugural Brown County LIFE Study, our community convened for a Summit to analyze the data and take action to improve it. A Top 5 Priority at the end of the Summit was to improve our "Cradle-to-Career" systems. In response to this priority, **our community worked to launch Achieve Brown County**. In the last 10 years, we've built foundational partnerships and structures necessary to carry out our mission to use data and rally community to co-create equitable conditions so every young person can thrive.

We are members of the national [StriveTogether Network](#) and have created a community vision of a Brown County where cradle-to-career systems are equitable for every young person regardless of race, income, zip code or circumstance.
