Board Committees

Board Development Committee

Strengthen board leadership by identifying and recruiting new members, supporting onboarding, and ensuring the board has the skills and perspectives needed.

Community Council

Bring together community voices including parents, youth, and partners who work with young people. This group will help ensure Achieve Brown County's work reflects the needs and experiences of the community.

Finance Committee

Oversee the financial health of Achieve Brown County. Review financial reports, support the annual budgeting process, and ensure strong financial policies and accountability.

Fundraising Committee

Help sustain and grow the work of Achieve Brown County by supporting prospecting, donor stewardship, fundraising strategy, and fundraising campaigns that invest in opportunities for young people across our community.

Governance & Policy Committee

Helps ensure Achieve Brown County operates with strong governance and clear policies. This committee reviews bylaws, policies, and organizational practices while supporting risk assessment and long-term accountability.
